

# SAFETY DATA SHEET

## Brushable Sticky Adhesive - Cans

### 1. Identification

#### Manufacturer/Responsible Party:

Web-Cote Industries

141 Wheatsworth Rd.

Hamburg, NJ 07419 USA

**Phone:** 973-827-2299

**Emergency Phone (24-hour):** CHEMTRAC 1-800-424-9300

**Recommended Use:** Brushable pressure-sensitive adhesive for pest control applications (professional use)

### 2. Hazard(s) Identification

**OSHA Classification:** Skin Irritation – Category 3

Specific Target Organ Toxicity (Single Exposure) – Category 3 (Respiratory Irritation)

**Signal Word:** Warning

**Pictogram:** Exclamation Mark

**Hazard Statement:** Causes mild skin irritation. May cause respiratory irritation.

**Precautionary Statements:** Avoid breathing vapors or fumes when heated or brushed. Use with adequate ventilation.

Wash hands thoroughly after handling.

Wear protective gloves during prolonged contact.

### 3. Composition / Information on Ingredients

Pressure-sensitive adhesive.

Contains non-hazardous polymeric components and additives. Exact composition and percentages are withheld as trade secrets in accordance with OSHA 29 CFR 1910.1200(i).

## **4. First-Aid Measures**

**Eyes:** Flush with water for at least 15 minutes. Seek medical attention if irritation persists.

**Skin:** Wash with soap and water. Remove contaminated clothing. Seek medical attention if rash or irritation develops.

**Ingestion:** Do not induce vomiting. Seek medical attention.

**Inhalation:** Remove to fresh air. Seek medical attention if symptoms persist.

## **5. Fire-Fighting Measures**

**Extinguishing Media:** Water spray, foam, CO<sub>2</sub>, dry chemical.

**Hazards:** Combustion may produce carbon monoxide and carbon dioxide.

**Protective Equipment:** Self-contained breathing apparatus and protective clothing.

## **6. Accidental Release Measures**

Allow material to cool if heated. Collect mechanically and dispose of in accordance with Section 13.

## **7. Handling and Storage**

Store in a cool, dry place away from heat sources. Avoid unnecessary skin contact.

## **8. Exposure Controls / Personal Protection**

Use with adequate ventilation when heated or brushed. Gloves recommended. No respiratory protection required under normal conditions.

## **9. Physical and Chemical Properties**

Viscous semi-solid; amber; mild hydrocarbon odor; Density ~7.9 lb/gal; Flash Point >200°F (93°C); Insoluble in water.

## **10. Stability and Reactivity**

Stable under normal conditions. No hazardous reactions expected.

## **11. Toxicological Information**

May cause mild skin irritation.

Vapors generated during heating or brushing may cause respiratory irritation.

No acute systemic toxicity expected under normal conditions of use.

## **12. Ecological Information**

No data available.

## **13. Disposal Considerations**

Dispose of in accordance with federal, state, and local regulations. Product is not classified as hazardous waste under U.S. EPA regulations.

## **14. Transport Information**

DOT / IATA / IMDG: Not regulated.

## **15. Regulatory Information**

OSHA HazCom compliant. All components listed or exempt under TSCA. Not subject to SARA 313.

California Proposition 65: This product does not contain chemicals known to the State of California to cause cancer or reproductive harm, or such chemicals are present at levels below applicable warning thresholds.

This Safety Data Sheet reflects the hazards of the product as supplied by Web-Cote Industries in its packaged form.

## **16. Other Information**

**Revision Date:** January 2026

**Supersedes:** September 12, 2016
